A5 5 mm Dot Grid

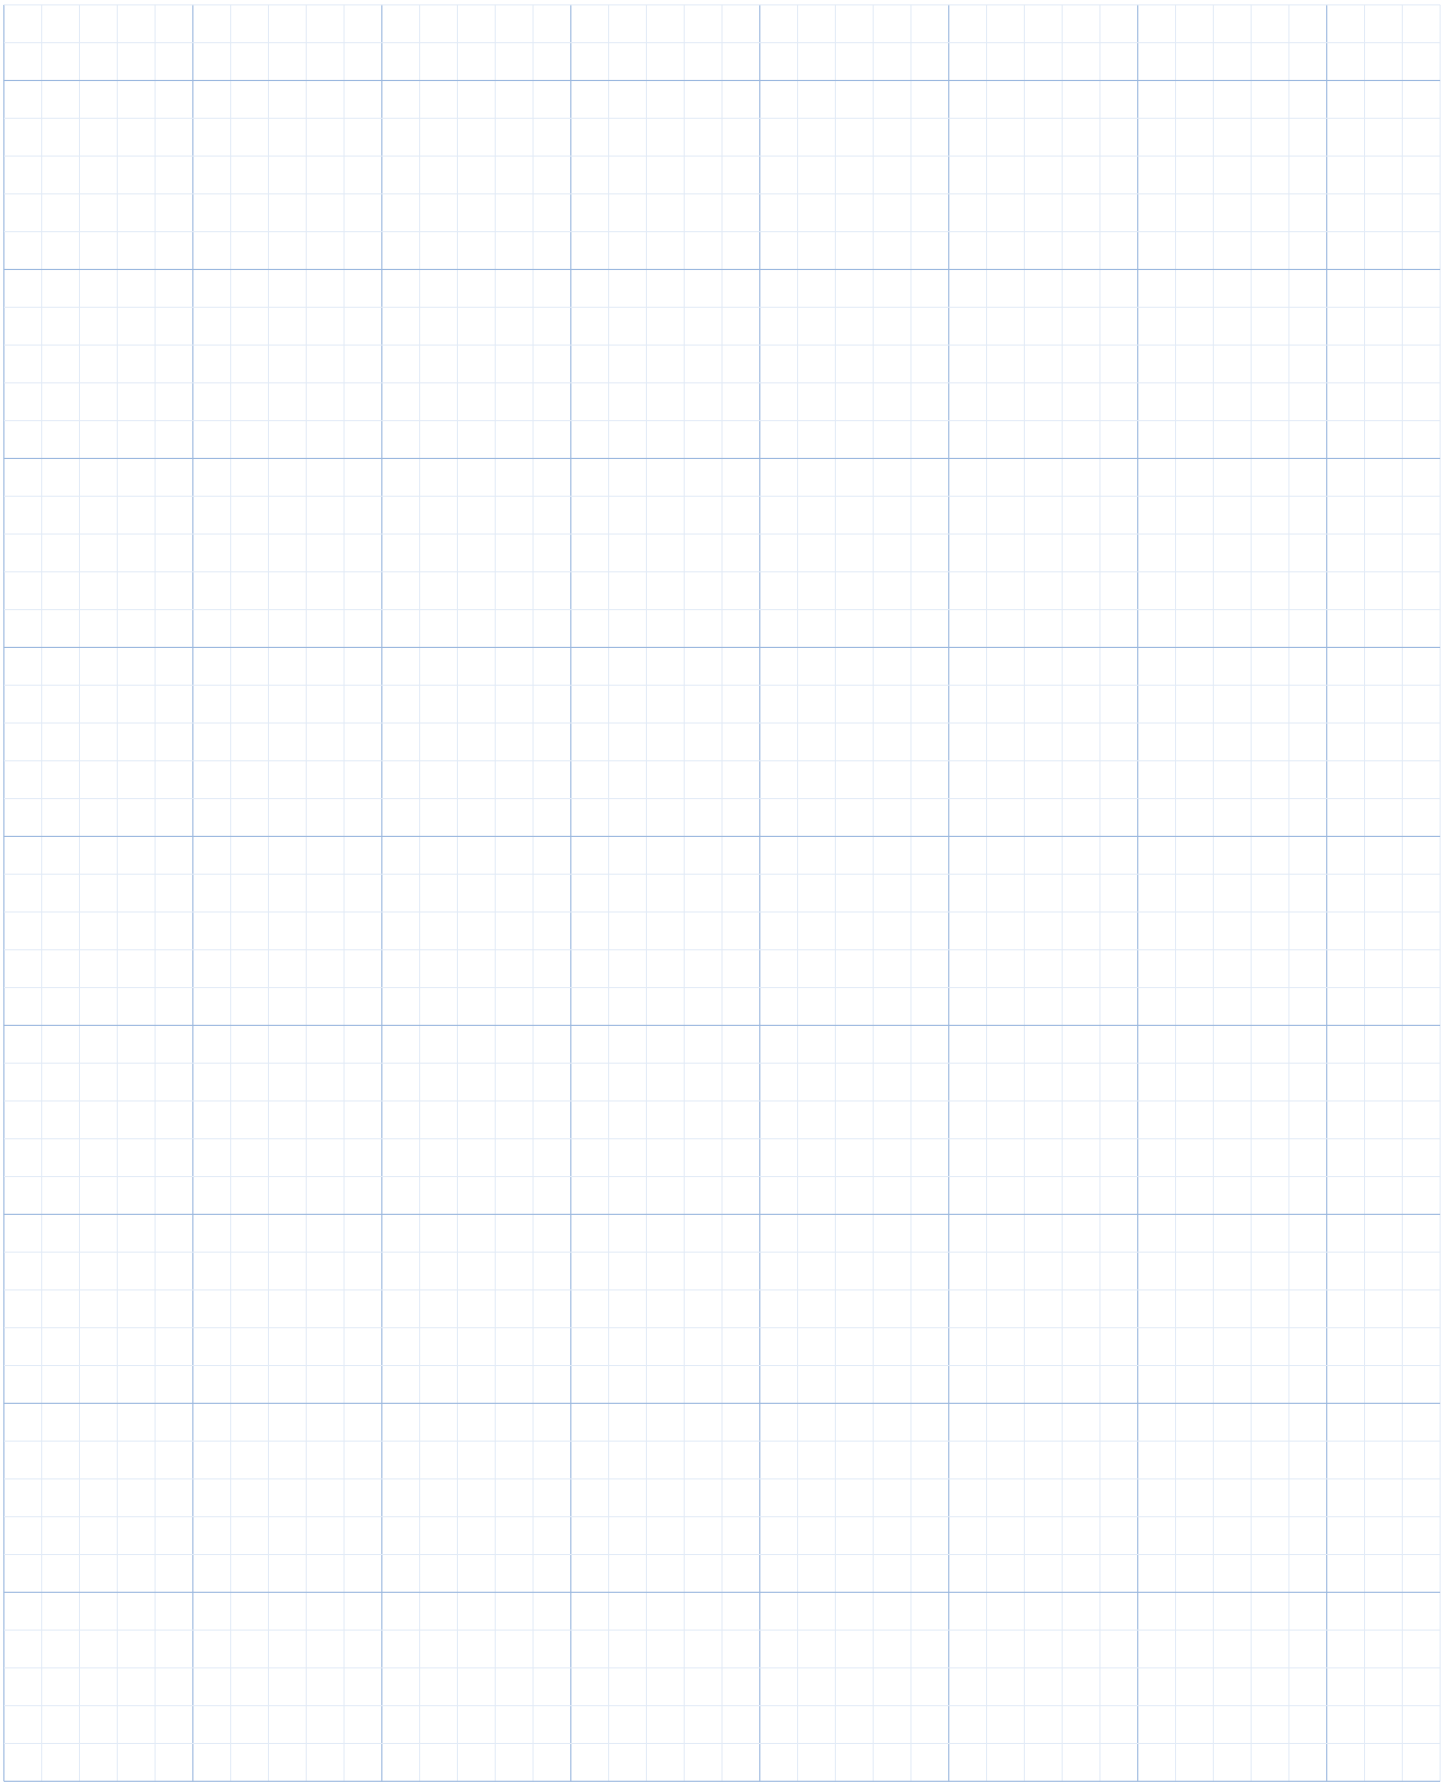
Bullet-journal standard spacing for A5 inserts.

Letter 5 mm Dot Grid

Full-size dot grid for planning sheets and trackers.

Planning Grid Sheet

Light 5 mm square grid for tracker sketches and layout drafts.



How to Use the Pack

Set up clean printable dot-grid pages for journaling and planning.

Best uses

- A5 dot grid: journal inserts and daily layouts.
- Letter dot grid: full-size planning, sketches, and trackers.
- Planning grid: quick habit trackers, calendars, and layout experiments.

Print settings

- Print at 100% scale to keep the dots 5 mm apart.
- Use lighter paper for pencil planning and heavier paper for markers.
- Trim A5 pages after printing if your printer does not support A5 directly.

Tip

- For a softer or darker dot, use the dot grid preset in the generator.
