Summary

Dot-Grid Cornell Notes

Cornell layout with a light dot grid for diagrams and equations.

Cues

Notes

Summary

Summary Review Sheet

Ruled study sheet for key questions, formulas, and takeaways.

How to Use the Pack

Use the Cornell layout to turn notes into active recall.

Best uses

- Classic ruled: lectures, textbooks, and structured class notes.
- Dot-grid Cornell: diagrams, equations, and mixed visual notes.
- Summary review: compress the page into key questions and takeaways.

How to use it

- Take notes in the large right-hand area.
- After class, write cues and questions in the left column.
- Finish with a short summary at the bottom before review.

Print settings

- Print at 100% scale and keep a stack ready for class or study sessions.
